finance.yahoo.com/news/metablaze-anno...

The screenshot shows the Yahoo Finance homepage. At the top, there's a navigation bar with links to HOME, MAIL, NEWS, FINANCE, SPORTS, ENTERTAINMENT, LIFE, YAHOO PLUS, and MORE. Below this is a search bar and a 'Sign in' button. The main content area features a large banner for the iPhone 14 Pro, followed by a section for market futures including S&P, Dow, Nasdaq, Russell 2000, and Crude Oil. The headline of the article is 'MetaBlaze Announces \$4M Crypto Presale Sellout, Gaming Partnerships, and AI MetaChip NFT Drop'. Below the headline, it says 'News Direct' and 'Mon, June 26, 2023 at 8:26 AM CDT - 4 min read'. The article text begins with 'Dover, USA --News Direct-- Chainwire' and 'MetaBlaze, a pioneering Web 3 Gaming, and AI Company, is building momentum as they approach its upcoming Q3 launch. Between strategic partnerships with household Crypto Gaming brands, a sold-out presale, and a never-before-seen AI-Integrated NFT collection, the MetaBlaze ecosystem is primed for its next evolution stage.' A large image of two characters in a fantasy setting is shown. To the right of the article, there's a 'Top-Rated Crossovers' section and a 'TRENDING' list with four items: 1. Imploded Titanic submarine seen for first time as pieces recovered from sea floor, 2. 'Presumed human remains' recovered from wreckage of Titan sub, 3. A man who emerged from a bathroom foaming at the mouth on an Alaska Airlines flight had to be restrained before reaching the cockpit, affidavit says, 4. The CBS reporter who rode on the Titan sub in 2022 doesn't think OceanGate.

METABLAZE ANNOUNCES \$4M CRYPTO PRESALE SELLOUT, GAMING PARTNERSHIPS, AND AI METACHIP NFT DROP

JUNE 26, 2023 5:24 PM UTC, CHAINWIRE

MetaBlaze gains momentum with strategic partnerships, successful presale, and AI-powered NFT collection, signalling the next stage of evolution for the Web 3 Gaming ecosystem.

MetaBlaze, a pioneering Web 3 Gaming, and AI Company, is building momentum as they approach its upcoming Q3 launch. Between strategic partnerships with household Crypto Gaming brands, a sold-out presale, and a never-before-seen AI-integrated NFT collection, the MetaBlaze ecosystem is primed for its next evolution stage.

MetaBlaze Reaches \$4M Presale HardCap Despite Crypto Winter

While the Web 3 Gaming industry has languished throughout 2022 and 2023, MetaBlaze has charged forward, going from strength to strength. Its community presale announces a filled hard cap, raising an impressive USD 4 million, with over two thousand and two-hundred holders.

This achievement is a testament to the unwavering support from MetaBlaze's enthusiastic community, who are buoyed and inspired by the vision, scope, and potential exhibited by the MetaBlaze team. The Company is now looking forward to the anticipated launch of its native mbiz token on September 15th, which will be available on several centralized and decentralized crypto exchanges.
